

AGL Resources Private Foundation, Inc.

Guidelines for Grants

Our key areas of focus are:

- **Community Enrichment** - We direct our support to energy assistance programs; low-income, senior citizen programs; minority and women leadership programs; limited arts and culture events; and the United Way. **These grants are considered during our 1Q meeting.**
- **Education** - With an emphasis in reading, math and science, this support includes public secondary schools (K - 12); public and private colleges and universities, and technical schools. **These grants are considered during our 2Q meeting.**
- **Environmental Stewardship** - We support projects such as, clean air, conservation, and green space. **These grants are considered during our 2Q meeting.**
- **Organizational and Supplier Diversity** - We support organizations that reflect the diversity of our workplace and the many communities we serve, and we partner with organizations that provide developmental opportunities and assistance to minority and women-owned businesses. **These grants are considered during our 2Q meeting.**
- **Energy Assistance** – We support programs which primarily help low-income households and low-income senior citizens afford their natural gas energy consumption. These programs include weatherization projects and emergency energy assistance. **These grants are considered during our 3Q meeting.**

Note: The Foundation can consider grant requests only from those organizations classified as 501(c)(3), tax-exempt by the IRS. The Foundation does not contribute to individuals, religious organizations, or private K-12 schools.

Please confirm that your organization is located in one of our service territories, and mail your grant request to the appropriate location.

****** Requests from organizations outside our service territories will not be considered******
